

PRESS RELEASE.

UCAMCO appoints Rik Vandekerckhove as Sales Director Asia

UCAMCO, formerly Barco ETS, announces the appointment of Rik Vandekerckhove as Sales Director Asia. Rik will be responsible for sales of the full range of UCAMCO software and plotter products in Japan, Korea, China, Taiwan, South-East Asia and India.

Rik Vandekerckhove has more than 20 years experience in the PCB industry. He worked for a major European PCB fabricator before joining Barco ETS as a product support and development engineer. For the last 5 years he has been based in China as Product Development and Support Manager, working closely with local manufacturers to implement successful front-end engineering and imaging solutions. He will continue to reside primarily in China.

Karel Tavernier, UCAMCO Managing Director, adds: "Rik has a deep knowledge of the Asian market and of the needs of Asian fabricators. We are delighted to be able to appoint him to head up our sales in this important region. He will continue to work with our agents and distributors in each country to ensure that every customer gets the maximum benefit from our software and photoplotter products."
