

PRESS RELEASE - 2009 12 04

Ucamco appoints Yessa & Company as sales agent for Central USA

Ucamco - former Barco ETS - , a leader in laser photoplotters and software for the PCB industry announces the appointment of Yessa & Company as sales agent for the states of Illinois, Wisconsin, Ohio, Michigan, Indiana, Iowa, Minnesota, Missouri, Texas and Kentucky.

Yessa & Company will sell the full range of Ucamco's products, the **SilverWriter** and **Calibr8tor** series of laser photoplotters, as well as the **Ucam** family of front-end software, the **Integr8tor** PCB sales solution and **SmartPlate** Ucamco's new software to increase plating reliability.

Bob Yessa, Vice-President Sales of Yessa & Company, says: " *We are constantly searching for Principles who share our goal of helping our customers compete in a very competitive market place so we are excited that Ucamco choose us to promote their products. We are particularly excited about Integr8tor and SmartPlate, both of which offer innovative solutions to problems that manufacturers experience every day.*"

Karel Tavernier, Managing Director of Ucamco, says: "Yessa will be directly supported by Luc Maesen from Ucamco USA. Luc has an unrivalled in-depth knowledge of our products and will work closely with Yessa to develop the best CAM and plotter solutions for our customers in their area."

Luc Maesen, General Manager of Ucamco USA, says: "I am honored that I will be able to work with Bob and his colleagues to promote our great products to the North American market."

About Yessa & Company

For more than 20 years Yessa & Company has been a leading Distributor of consumable products and a Representative for capital equipment for the Printed Circuit Fabrication and Chemical Milling Industries. The companies represented by Yessa & Company are some of the most technologically advanced companies in the world, all of whom have a focus on the future of their industries. Our mission is to provide our customers with the latest equipment and product consumables to help keep them at the leading edge of their industries. With headquarters in suburban Chicago and satellite offices throughout North America, we are strategically positioning ourselves to be a full service provider to all of our North American customers.
